Keep Safety Simple Campaign Kickoff Challenge!

Today is the official release of our Keep Safety Simple (KSS) campaign and the Kickstart Challenge! Please forward to your employees as appropriate.

As first presented at our Jan.2nd safety call, this campaign is to heighten awareness of our safety programs and initiatives as we want everyone to continue to stay attentive about your own and your teammate's safety. KSS is a campaign created for TxDOT Austin District employees to get down to our safety roots. It's a chance for all to keep safety top of mind and remember that TxDOT has many readily available resources and tips that aid us in staying safe whether we are at work or at home.

Check out our new KSS landing page, keep-safety-simple.com and stay tuned for more future challenges! We will be adding content and images to the page as the months progress.

Challenge #1: Kickoff Challenge

- **Start Date:** 2/1/2024 | **End Date:** 2/29/2024

Requirements to Complete Challenge #1:

Please complete the requirements as a group.

In the next week, your office will be receiving KSS Posters. In order to complete the challenge, you **must** take pictures of your employees participating in placing the posters around your office.

Photos **must be submitted** to Admin-AUS14@txdot.gov by the challenge end date to receive an award.

These posters should be placed around your office in prominent, high-traffic areas, such as:

- breakrooms
- entrance/exit doors
- bulletin boards
- meeting rooms

Stay safe, stay vigilant and let the challenge begin!
